PRIMARY CENTRE - INTERNET USAGE AGREEMENT & PUBLICATION OF WORK/USAGE OF PHOTOGRAPHS AGREEMENT

All pupils and their parents/carers will be asked to read and sign an agreement covering the expectations that we have of pupils using the Internet in Centre and regarding the use of photographs.

The Pupil Internet Agreement

This is to be read through with your parent/carer and then signed. You will be allowed Internet access after this is returned to the Centre.

- We expect pupils to be responsible for their own behaviour on the Internet, just as they would anywhere else in the Centre. This includes the materials that they choose to access, and the language that they use.
- Pupils using the World Wide Web are expected not to deliberately seek out offensive materials. Should any pupil encounter such material accidentally, they are expected to report it immediately to a teacher.
- Pupils are expected not to use any rude language in their email communications and to contact only people they know or those that the teacher has approved. It is forbidden to be involved in sending chain letters.
- Pupils must ask permission before accessing the Internet.
- Pupils should not access other pupil’s files unless permission has been given.
- Computers should only be used for schoolwork or homework unless permission has been granted otherwise.
- No program files may be downloaded from the Internet.
- No floppy discs may be brought in from home.
- No programs on disc or CD ROM should be brought in from home for use in Centre.
- No personal information such as phone numbers and addresses should be given out and no arrangements to meet someone should be made unless this is part of an approved Centre project.

Pupils consistently choosing not to comply with these expectations will be warned, and may be denied access to Internet resources.

The Use of Work & Photographs Agreement

During your child’s time in Centre it may be appropriate to take photographs of learning experiences in and out of the centre for use on displays in and around the classroom. Such photographs will be used subject to Centre rules, they will not clearly identify individuals and full names will not be used.

I have read through the agreements with my child and agree to these safety restrictions
